What a small world!

Experience **"Around the World Street Food"** this summer at our restaurant The Leaf.

We've gathered the best food traditions from all over the world and made them our own. Our chefs will prepare the food right in front of you – all you must do is prepare for a tour of the world!

ASIA

Asian cuisine lends its emphasis to light meals with less meat, but with plenty of fresh herbs and umami.

Delve into the Asian classics!

MEXICO

Mexican cuisine is a diverse and varied mix of traditional Native American and Spanish cuisine – a wonderful fusion of Mexico.

NORDIC

New Nordic cuisine is based on prime Nordic ingredients and reflects the changing seasons of the Nordic region. This, along with the purity of the ingredients.

ITALY

Italian cuisine abounds with sun-ripened fruits and vegetables, fresh fish, first-class meats and local wine made according to proud traditions.
